RATIONALE:

Our Child Safety Code of Conduct sets out the expected behaviour of adults with children and young people in our school.

All Berwick College staff, volunteers, contractors, service providers, school council members and any other adult involved in child-connected work must follow the Child Safety Code of Conduct.

The Child Safety Code of Conduct applies to all physical and online environments used by students. It also applies during or outside of school hours and in other locations provided by the school for student use (for example, a school camp).

IMPLEMENTATION:

Berwick College is committed to the safety and wellbeing of children and young people. Our school community recognises the importance of, and a responsibility for, ensuring our school is a safe, supportive and enriching environment which respects and fosters the dignity and self-esteem of children and young people, and enables them to thrive in their learning and development.

The Child Safety Code of Conduct including the declaration (Appendix A) will be provided to all new staff as part of their induction to Berwick College.

Acceptable Behaviours

As Berwick College staff, volunteers, contractors, and any other member of our school community involved in child-connected work, we are responsible for supporting and promoting the safety of children by:

- upholding our [Statement of Commitment to Child Safety](#) at all times and adhering to our Child Safety Policy
- treating students and families in our school community with respect in our school environment and outside our school environment as part of normal social and community activities
- listening and responding to the views and concerns of students, particularly if they disclose that they or another child or student has been abused or are worried about their safety or the safety of another child or student
- promoting the cultural safety, participation and empowerment of Aboriginal students, students with culturally and/or linguistically diverse backgrounds, students with a disability, international students, students who are unable to live at home and lesbian, gay, bisexual, transgender and intersex (LGBTIQA+) students
- ensuring, as far as practicable, that adults are not alone with a student – one-to-one interactions between an adult and a student are to be in an open space or in line of sight of another adult
- reporting any allegations of child abuse or other child safety concerns to a principal class officer, wellbeing team member or teacher

- understanding and complying with all reporting and disclosure obligations (including mandatory reporting) in line with our [Child Safety Responding & Reporting](#) policy and procedures and the [PROTECT Four Critical Actions](#).
- if child abuse is suspected, ensuring as quickly as possible that the student(s) are safe and protected from harm.

Unacceptable behaviours

As Berwick College staff, volunteers, contractors and member of our school community involved in child-connected work we must not:

- display behaviours or engage with students in ways that are not justified by the educational or professional context
